### **Sponsorship opportunities**

The Inaugural Labour Law and Compliance Summit, held on the 8<sup>th</sup> May 2025, marked an extraordinary milestone in South Africa's labour relations journey as we commemorated the **30th anniversary of the Labour Relations Act, 66 of 1995**. This landmark event was a unique opportunity to reflect on the history of South African labour law, the progress made since the adoption of the LRA, and the continued efforts to foster equitable, fair, and harmonious workplaces.

The summit served as a strategic platform for key stakeholders, including **employers, trade unions, legal practitioners, HR professionals, policymakers, and academics**, to honour the remarkable achievements of the past 30 years, critically assess current challenges, and craft forward-looking strategies for a future defined by fairness, innovation, and collaboration.

With 170 **distinguished delegates** in attendance, this event offered an unparalleled opportunity to engage in high-level discussions, exchange pioneering ideas, and foster meaningful partnerships that will shape the next chapter of South Africa's labour relations.

The **2nd Annual Labour Law and Compliance Summit 2026** provides a strategic opportunity to examine the intersection between **legal reform, regulatory compliance,** and **institutional transformation** within South Africa's evolving labour landscape.

This year's theme, "*Elevating Labour Law Compliance: Legal Reform, Institutional Accountability, and Workplace Justice,*" is a direct response to:

1. **Recent legislative amendments and evolving compliance expectations,**
2. The **New Code of Good Practice: Dismissal**, gazetted and effective from **22 August 2025,**
3. Rising obligations on employers, practitioners, unions, and regulators to **give effect to the spirit and letter of the law,**
